Course: AWS Cloud Practitioner (Registration No: 260238004)

F. Merlin enrolled in the AWS Cloud Practitioner course (Reg. No. 260238004) under the Learning to Earning 2026-27 project at Don Bosco Skill Mission, Bangalore. Driven by a strong desire to build a stable career and improve her employability, she actively participated in the training and made the most of every learning opportunity.

During the program, Merlin gained strong technical knowledge, developed excellent communication skills, and built essential professional capabilities. She enhanced her workplace readiness, built confidence, strengthened her professionalism, and recognized the importance of teamwork, discipline, and problem-solving. The training thoroughly prepared her to meet industry expectations and equipped her with the confidence needed to launch her career in technology.

Following the successful completion of the program, Merlin is now actively searching for a suitable opportunity in the IT industry, where she can apply her cloud skills and grow professionally. Her preparation, commitment and positive attitude mark a significant milestone in her professional journey and her first step toward financial independence.

Merlin's journey reflects how targeted skill training, proper guidance, and individual determination can transform aspirations into meaningful employment. She expresses her heartfelt gratitude to Don Bosco Skill Mission for equipping her with the skills, knowledge, and confidence needed to embark on a successful career path. Her story serves as an inspiration to other young individuals striving for a brighter future through skill development and dedication.

Thank You.
